House Appropriations Request FY 2010

Project Name: Construction of Downtown Greenway; Greensboro, NC
Recipient: Action Greensboro
Recipient Address: 317 South Elm Street

Recipient City: Greensboro
Recipient State: NC
Recipient Zip: 27401

Amount of Request: \$1,000,000

Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds): The Downtown Greenway is a proposed four mile walking and biking trail that will loop around downtown Greensboro. This project will promote new investment on adjacent development-ready parcels and will draw businesses and residents to downtown Greensboro, boosting retail sales. Additionally, it will enhance the urban landscape with a green space that will promote fitness, encourage alternative transportation, and provide connectedness for residents and visitors.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
